Mr. Richard Cavender, Executive Director  
Meramec Regional Planning Commission  
#4 Industrial Drive  
St. James, MO 65559

Re: Local Hazard Mitigation Plan Update Memorandum of Agreement (MOA) for Phelps and Gasconade Counties

Dear Mr. Cavender:

Please find enclosed two original copies of the Memorandum of Agreement (MOA) for updating the Local Hazard Mitigation plans for the Counties of Phelps and Gasconade. This update process must meet the planning requirements outlined in the FEMA Local Multi-Hazard Mitigation Planning Guidance previously released effective July 1, 2008.

It should be noted that in the first paragraph of "Exhibit D", the date the MOA is effectively entered into must be completed. The date entered should reflect the date the documents were signed by the authorized local representatives. After obtaining the authorized signatures on both original copies of the MOA's return them to our office for final signature. A fully signed original copy of the MOA will then be returned to you.

Should you have any questions please contact Sheila Huddleston, State Hazard Mitigation Officer, at (573) 526-9228. Our staff looks forward to working with you on another successful planning process.

Sincerely,

  
Ronald M. Reynolds  
Director

## MEMORANDUM

TO: County Commissions of Crawford, Maries, Osage and Washington counties

FROM: Richard Cavender, Executive Director

DATE: December 23, 2008

RE: Hazard Mitigation Plan Updates and Grants

I am writing to make you aware of grants that will become available to county governments for the purpose of updating your county hazard mitigation plans. As you may recall, MRPC wrote hazard mitigation plans for six of our eight counties approximately five years ago. The Missouri State Emergency Management Agency is now providing grant funds to update those plans.

The Hazard Mitigation Plan must be updated every five years in order to stay in compliance with SEMA and FEMA. If the county chooses not to update the plan, they will no longer be eligible for hazard mitigation grant funds. Examples of projects funded through hazard mitigation grants include buyouts of property located in the flood plain, upgrading bridges and roads to make them less susceptible to flood damage and building tornado safe rooms for schools. There has been a great deal of interest from schools in the region to take advantage of these grants to pay for tornado safe rooms.

SEMA is providing a grant of \$20,000 toward the cost of the update of the plan. FEMA requires a 25 percent match for this grant which is \$6,666.67. Up to \$3,000 of that can be provided as in-kind match – which is time spent by people on the advisory group for updating the plan. That would leave \$3,666.67 in cash match that would have to be provided by local jurisdictions. Other counties that had to come up with cash match were able to partner with the communities within their county to share the cost of the match.

We have contracts in place with Phelps and Gasconade counties. The next counties that will be coming due are Crawford and Osage followed by Washington and Maries counties later in 2009.

I just wanted to write to make you aware of the need to update your hazard mitigation plans and the match requirement on the grant from SEMA. If you have any questions, please do not hesitate to contact myself or Tamara Snodgrass by phone at (573) 265-2993 or via email at [tsnodgrass@meramecregion.org](mailto:tsnodgrass@meramecregion.org).

FAX (573) 265-3550

September 22, 2008

Randy Verkamp  
Phelps County Commissioner  
204 N. Main  
Rolla, MO 65401

Dear Commissioner Verkamp:

The Phelps County Multi-Jurisdictional Hazard Mitigation Plan that was put into place in November 2004 must be revised every five years. It is time to begin reviewing and revising this plan so that Phelps County can meet the deadlines set forth and remain eligible for Hazard Mitigation funding. The current plan describes the process for identifying hazards, assessing risks and vulnerabilities, and identifying and prioritizing mitigation actions.

The Missouri State Emergency Management Agency is providing grants to review and update Hazard Mitigation Plans. However, there is a 25% match requirement. SEMA is offering a grant of \$20,000 to Phelps County if the county can provide a match of \$6,666.67. A portion of this match, \$3,000, can be in-kind. The remainder must be cash.

We need your approval on this contract and matching funds to move forward with starting the plan review and revision. Please sign and return this contract with all signature copies at your earliest convenience. If you have questions, please do not hesitate to contact me. Once we get the contract in place, we will be getting with you to schedule meetings and proceed with the review.

Sincerely,

Tonya Price

## NOTICE OF OPEN MEETING

Date and time of posting 3 p.m. on Monday, November 2, 2008

Notice is hereby given that the Meramec Regional Planning Commission

will conduct a meeting at 10 a.m. on Tuesday, Nov. 18, 2008

at Phelps Co. Courthouse

The tentative agenda of this meeting includes:

Develop a list of hazard mitigations activities that have occurred in Phelps Co. in the last 5 years. Plan for future projects. Accomplishments since original plan was adopted.

Representatives of the news media may obtain copies of this notice by contacting:

Name: Meramec Regional Planning Commission

Address: 4 Industrial Drive, St. James, MO 65559

Telephone: 573-265-2993

If you require any accommodation (i.e. qualified interpreter, large print, hearing assistance) in order to attend this meeting please notify this office at (573) 265-2993 no later than forty-eight (48) hours prior to the scheduled commencement of this meeting.

**MEMORANDUM**

TO: Phelps County Courthouse and City Halls of Phelps County Communities

FROM: Tamara Snodgrass, Environmental Programs Manager, MRPC

DATE: January 7, 2010

SUBJECT: Phelps County Multi-Jurisdictional Hazard Mitigation Plan

Enclosed please find a draft copy of the Phelps County Multi-Jurisdictional Hazard Mitigation Plan. MRPC has been working with volunteers from Phelps County to update the County's plan. A draft, based on the original plan completed in 2004, was submitted to the State Emergency Management Agency (SEMA) for review in June. That document was returned with a request for additional information and reformatting of the plan. Those changes have been completed and the revised document is ready for final review and public comment.

Please make this draft document available for public viewing through January 22. It is also available on-line through the City of Rolla website [www.rollacity.org](http://www.rollacity.org). Once the plan has been reviewed and approved by SEMA and FEMA, you will have the opportunity to review it again and formally adopt the plan.

Thank you for your assistance and please let me know if you have any questions or changes that need to be made to the planning document.

FOR IMMEDIATE RELEASE: BONNIE PRIGGE OR TAMMY SNODGRASS,  
MRPC, 573-265-2993

DRAFT OF PHELPS COUNTY  
HAZARD MITIGATION PLAN UPDATE AVAILABLE FOR PUBLIC REVIEW

The draft update of the Phelps County Hazard Mitigation Plan is now available on the web for public review. Meramec Regional Planning Commission, in partnership with Phelps County, began updating the plan in December 2008. Public meetings were held with city and county officials, school leaders, emergency management agencies and interested individuals.

Persons wishing to review the draft plan may access it on the Rolla city website at [www.rollacity.org](http://www.rollacity.org).

Paper copies of the plan will be available for review at the Phelps County Courthouse and at city halls within the county.

Deadline for comments and suggestions is Jan. 22, 2010.

The county must have an approved hazard mitigation plan in order for Phelps County schools, cities, agencies and others to access state hazard mitigation grant funds. The plan includes an assessment of natural hazards, showcases past accomplishments and sets goals and action items to reduce the impact of natural hazards in the future.

Comments may be submitted in writing to MRPC, Attn. Tammy Snodgrass, 4 Industrial Drive, St. James, MO. 65559, or by email at [tsnodgrass@meramecregion.org](mailto:tsnodgrass@meramecregion.org)

MRPC will submit the plan to the State Emergency Management Agency for final approval. For more information on the plan, contact Tammy Snodgrass at MRPC, 573-265-2993.

Chairman: Laura Antolak  
At-Large Representative for Small Business

Vice Chairman: Russell Scheulen  
Presiding Commissioner, Osage County

Executive Director: Richard Cavender

Secretary: Gary Brown  
Mayor, City of Salem

Treasurer: Theresa Cook  
Alderman, City of St. Robert

The Phelps County Hazard Mitigation Plan has been revised and is ready for your review. The document has been placed out on the MRPC website and can be downloaded for your review, [www.meramecregion.org/pages/downloads](http://www.meramecregion.org/pages/downloads)

We are on a quick turnaround for changes and request that you provide feedback by **March 26, 2009**. The final draft must be submitted to the State by the end of the month.

Thank you for your time in reviewing the document as this is a county wide plan and anyone who may want to apply for Hazard Mitigation Grant funds must be included in the process and adopt the plan for their business or organization.

If you have any questions, comments or concerns, please feel free to contact us at 573-265-2993. You many also email changes to [tprice@meramecregion.org](mailto:tprice@meramecregion.org).

Thank you for your assistance, Tammy Snodgrass and Tonya Price.

The Phelps County Hazard Mitigation Plan has been revised and is ready for your review. The document has been placed out on the MRPC website and can be downloaded for your review, [www.meramecregion.org/pages/downloads](http://www.meramecregion.org/pages/downloads)

We are on a quick turnaround for changes and request that you provide feedback by **March 26, 2009**. The final draft must be submitted to the State by the end of the month.

Thank you for your time in reviewing the document as this is a county wide plan and anyone who may want to apply for Hazard Mitigation Grant funds must be included in the process and adopt the plan for their business or organization.

If you have any questions, comments or concerns, please feel free to contact us at 573-265-2993. You many also email changes to [tprice@meramecregion.org](mailto:tprice@meramecregion.org).

Thank you for your assistance, Tammy Snodgrass and Tonya Price.

A Council of Local Governments  
Serving the Meramec Area

MERAMEC REGIONAL PLANNING COMMISSION

4 Industrial Drive  
St. James, MO 65559-1689  
(573) 265-2993  
FAX (573) 265-3550

**MEMORANDUM**

**TO:** Phelps County School Districts, Electric Cooperatives, Water and Sewer Districts and other Public Entities

**FROM:** Tamara Snodgrass, Environmental Programs Manager, Meramec Regional Planning Commission

**SUBJECT:** Phelps County Hazard Mitigation Plan and future eligibility for Hazard Mitigation Program Grants

**DATE:** October 29, 2009

I am writing to make you aware of what is required of cities, school districts and other public entities in order to be considered part of the Phelps County Hazard Mitigation Plan and be eligible for future funding opportunities.

As many of you are aware, Phelps County and entities located within Phelps County have not been able to apply for various grant programs because the county did not have an approved Multi-Jurisdictional Hazard Mitigation Plan. This has been a problem for Phelps County in the past. Examples of eligible projects would be tornado safe rooms for school districts, burying power lines for electric cooperatives or purchasing generators for pump stations for rural water or sewer districts.

FEMA and SEMA now require that any public entity that wants to apply for hazard mitigation related grant funds must actively participate in the hazard mitigation planning process. Active participation means attending meetings, reviewing and commenting on the plan, providing data or assisting in prioritizing goals or projects. Not all entities have the time or staff to spend on the hazard mitigation planning process. There is an alternative that I want to make you aware of and encourage you to implement.

There is an option, called "authorized representative" where you can authorize the "Plan Author", Meramec Regional Planning Commission, to prepare the plan on your organization's behalf. If you want to do this, you will need to adopt a resolution doing so and send a copy to Meramec Regional Planning Commission. A copy of a sample resolution is attached.

I will continue to keep you informed of progress on the plan. When the plan has been approved by both SEMA and FEMA, you will still be required to adopt the plan and submit a resolution of adoption at that time.

Chairman: Laura Antolak  
At-Large Representative for Small Business

Vice Chairman: Russell Scheulen  
Presiding Commissioner, Osage County

Executive Director: Richard Cavender

Secretary: Gary Brown  
Mayor, City of Salem

Treasurer: Theresa Cook  
Alderman, City of St. Robert

I strongly encourage you to consider adopting a resolution for authorized representation in order to insure that you will be recognized by SEMA and FEMA as part of the county plan. If you choose to take this option, please provide Meramec Regional Planning Commission with a copy of a signed resolution **before Friday, November 20, 2009**. I hope to submit the plan for review by Monday, November 30, 2009 and I must have your resolution included in the plan before the date of submittal.

If you have any questions or concerns, please do not hesitate to contact myself or Lisa Warnke at (573) 265-2993 or by email at [tsnodgrass@meramecregion.org](mailto:tsnodgrass@meramecregion.org) or [lwarnke@meramecregion.org](mailto:lwarnke@meramecregion.org).

**MRPC Mission:**

*The mission of MRPC is to enhance the quality of life for residents of the Meramec Region.*

*In pursuit of this mission, MRPC will bring about results in these areas:*

*Cleaner, healthier and safer communities,*

*Greater socio-economic and cultural wealth through community and economic development, and*

*A stronger, unified voice in the legislative process.*

*SAMPLE RESOLUTION*

**Resolution for Authorized Representation  
Resolution # \_\_\_\_\_**

**Name of Jurisdiction:** Town A or School District

**Governing Body:** City Council or School Board

**Address:** Street, City, Zip Code

Whereas, Town A or School District has limited capacity to undertake extensive participation in the preparation of a hazard mitigation plan; and

Whereas, Meramec Regional Planning Commission is able to act on behalf of Town A or School District in the analysis and development of a hazard mitigation plan; and

Whereas, Meramec Regional Planning Commission shall prepare a hazard mitigation plan in accordance with 44 FEMA requirements at 44 CFR 201.6; and

Whereas, Meramec Regional Planning Commission shall make available a draft copy of the Plan for public comment as well as the governing body's comment during the planning process and prior to adoption.

Now therefore be it resolved, Town A or City Council authorizes Meramec Regional Planning Commission on behalf of Town A or City Council to prepare the County B Multi-Jurisdictional Hazard Mitigation Plan which shall be reviewed and considered by adoption by Town A City Council or School District Board upon completion.

Adopted this \_\_\_\_ day of \_\_\_\_\_, 20\_\_ at the meeting of the City Council or School Board.

**Adoption Resolutions**

RESOLUTION NO. 011-002

**A RESOLUTION TO ADOPT THE PHELPS COUNTY  
MULTI-JURISDICTION NATURAL HAZARDS MITIGATION PLAN**

**WHEREAS**, Phelps County recognizes the threat that natural hazards pose to people and property within our community; and

**WHEREAS**, undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and

**WHEREAS**, the U.S. Congress passed the Disaster Mitigation Act of 2000 emphasizing the need for pre-disaster mitigation of potential hazards and made available hazard mitigation grants to state and local governments; and

**WHEREAS**, an adopted Multi-Jurisdiction Natural Hazards Mitigation Plan is required as a condition of future funding for mitigation projects under multiple FEMA pre-and post-disaster mitigation grant programs; and

**WHEREAS**, Phelps County fully participated in the FEMA prescribed mitigation planning process to prepare this Mitigation Plan; and

**WHEREAS**, the Missouri State Emergency Management Agency and Federal Emergency Management Agency officials have reviewed the Phelps County Multi-Jurisdictional Natural Hazards Mitigation Plan and approved it contingent upon this official adoption of the participating governing body; and

**WHEREAS**, the Phelps County Commission desires to comply with the requirements of the Disaster Mitigation Act and to augment its emergency planning efforts by formally adopting the Phelps County Multi-Jurisdiction Natural Hazards Mitigation Plan; and

**WHEREAS**, adoption by the governing body for Phelps County demonstrates the jurisdiction's commitment to fulfilling the mitigation goals and objectives outlined in this Mitigation Plan; and

**WHEREAS**, adoption of this legitimizes the plan and authorizes responsible agencies to carry out their responsibilities under the plan;

**NOW, THEREFORE BE IT RESOLVED**, that the Phelps County Commission adopts the Phelps County Multi-Jurisdictional Natural Hazards Mitigation Plan as an official plan and will submit this Adoption Resolution to the Missouri Emergency Management Agency and the Federal Emergency Management Agency officials to enable the plan's final approval.

RESOLUTION NO. 1756

**A RESOLUTION TO ADOPT THE PHELPS COUNTY MULTI-JURISDICTION NATURAL HAZARDS MITIGATION PLAN**

**WHEREAS**, the City of Rolla recognizes the threat that natural hazards pose to people and property within our community; and

**WHEREAS**, undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and

**WHEREAS**, the U.S. Congress passed the Disaster Mitigation Act of 2000 emphasizing the need for pre-disaster mitigation of potential hazards and made available hazard mitigation grants to state and local governments; and

**WHEREAS**, an adopted Multi-Jurisdiction Natural Hazards Mitigation Plan is required as a condition of future funding for mitigation projects under multiple FEMA pre-and post-disaster mitigation grant programs; and

**WHEREAS**, the City of Rolla fully participated in the FEMA prescribed mitigation planning process to prepare this Mitigation Plan; and

**WHEREAS**, the Missouri State Emergency Management Agency and Federal Emergency Management Agency officials have reviewed the Phelps County Multi-Jurisdictional Natural Hazards Mitigation Plan and approved it contingent upon this official adoption of the participating governing body; and

**WHEREAS**, the City of Rolla desires to comply with the requirements of the Disaster Mitigation Act and to augment its emergency planning efforts by formally adopting the Phelps County Multi-Jurisdiction Natural Hazards Mitigation Plan; and

**WHEREAS**, adoption by the governing body of the City of Rolla demonstrates the jurisdiction's commitment to fulfilling the mitigation goals and objectives outlined in this Mitigation Plan; and

**WHEREAS**, adoption of this legitimizes the plan and authorizes responsible agencies to carry out their responsibilities under the plan;

**NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROLLA, MISSOURI, AS FOLLOWS:**

**Section 1:** That the City Council of the City of Rolla, Missouri, adopts the Phelps County Multi-Jurisdictional Natural Hazards Mitigation Plan as an official plan and will submit this Adoption Resolution to the Missouri Emergency Management Agency and the Federal Emergency Management Agency officials to enable the plan's final approval.

**Section 2:** That this resolution shall be in full force and effect from and after the date of its passage and approval.

PASSED BY THE CITY COUNCIL OF THE CITY OF ROLLA, MISSOURI, AND APPROVED BY THE MAYOR THIS 6<sup>TH</sup> DAY OF SEPTEMBER 2011.

RESOLUTION NO. 11-199

**A RESOLUTION TO ADOPT THE PHELPS COUNTY  
MULTI-JURISDICTION NATURAL HAZARDS MITIGATION PLAN**

**WHEREAS**, the City of St. James recognizes the threat that natural hazards pose to people and property within our community; and

**WHEREAS**, undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and

**WHEREAS**, the U.S. Congress passed the Disaster Mitigation Act of 2000 emphasizing the need for pre-disaster mitigation of potential hazards and made available hazard mitigation grants to state and local governments; and

**WHEREAS**, an adopted Multi-Jurisdiction Natural Hazards Mitigation Plan is required as a condition of future funding for mitigation projects under multiple FEMA pre-and post-disaster mitigation grant programs; and

**WHEREAS**, the City of St. James fully participated in the FEMA prescribed mitigation planning process to prepare this Mitigation Plan; and

**WHEREAS**, the Missouri State Emergency Management Agency and Federal Emergency Management Agency officials have reviewed the Phelps County Multi-Jurisdictional Natural Hazards Mitigation Plan and approved it contingent upon this official adoption of the participating governing body; and

**WHEREAS**, the City of St. James desires to comply with the requirements of the Disaster Mitigation Act and to augment its emergency planning efforts by formally adopting the Phelps County Multi-Jurisdiction Natural Hazards Mitigation Plan; and

**WHEREAS**, adoption by the governing body of the City of St. James demonstrates the jurisdiction's commitment to fulfilling the mitigation goals and objectives outlined in this Mitigation Plan; and

**WHEREAS**, adoption of this legitimizes the plan and authorizes responsible agencies to carry out their responsibilities under the plan;

**NOW, THEREFORE BE IT RESOLVED**, that the City of St. James City Council adopts the Phelps County Multi-Jurisdictional Natural Hazards Mitigation Plan as an official plan and will submit this Adoption Resolution to the Missouri Emergency Management Agency and the Federal Emergency Management Agency officials to enable the plan's final approval.

<p><b>Local Community Resources</b></p>	<p><b>Community Budget</b></p> <p><b>Chamber of Commerce</b></p> <p><b>Local Businesses &amp; Industries</b></p> <p><b>Civic Groups</b></p> <p><b>Red Cross</b></p> <p><b>Utility Companies</b></p> <p><b>Electric Coops</b></p> <p><b>Federal &amp; State Government</b></p>	<p>Developed by each local community.</p> <p>For example –</p> <p>More than 50 companies and service organizations have signed as partners with the City of Hannibal in helping to make the city safer. Continental Cement has agreed to supply the cement, lime and sand for pouring concrete walls and the floor of a tornado safe room in the 2001-2001 Building Trades Department Home. FirStar Bank and Hannibal National Bank have agreed to provide a ½% discount on Home Equity Fixed Rate Loans utilized for home repair in the event of a declared disaster. Southwestern Bell is providing free of charge a Project Impact page in next year’s phone book. Pillsbury, United Cities Gas, Abel Oil, Abney Home Improvement, and Gateway Financial Resources have all made financial donations to Hannibal’s partnership with SEMA and FEMA as a participating <i>Project Impact</i> community.</p> <p>Bolivar has partnered with SEMA and FEMA and signed several partner businesses that will provide concrete forms, concrete, and other materials to assist the community to construct a community tornado/storm safe room for about 150 people in the new sports complex. WalMart, Empire Gas and Radio Shack have teamed to help the community provide NOAA weather warning radios to non-profit daycare centers, schools and nursing homes.</p> <p>Neosho has partnered with SEMA, FEMA and the NRCS to perform flood buyouts, develop flood retention basins and construct a new greenway and recreational area. Neosho’s citizens partnered when they passed a city sales tax to help pay the local match for the projects.</p> <p>Piedmont has partnered with SEMA, FEMA, Conservation, the NWS/NOAA, MO DNR, private organizations, local businesses and private citizens to conduct flood buyouts, creek clean ups, a creek bank stabilization project, develop a new severe weather warning system and construct a new greenway and park.</p>
