

**MERAMEC REGIONAL PLANNING COMMISSION
#4 Industrial Drive - St. James, MO 65559**

Friday, April 11th	6:00p.m. – 10p.m.
Saturday, April 12th	8:00a.m. – 4:30p.m.
Sunday, April 13th	8:00a.m. – 4:30p.m.

This class will provide skills to citizens in your community to perform essential lifesaving functions while waiting for the professional responders to arrive following a disaster. Each class is approximately 20 contact hours and is spread over three days. CERT has become a highly sought after course by citizens groups, corporations and school systems to train employees how to handle emergencies and disasters. Course topics include disaster fire suppression, disaster medical operations, light search and rescue, disaster psychology and team organization.

TRAINING IS OFFERED FREE OF CHARGE - Lunch Provided Sat. & Sun.
